PREFACE

Teachers seem to agree that extensive reading helps students read better, but very few professionals talk about extensive listening. We contend that extensive listening not only contributes to higher TOEIC scores and better overall listening comprehension, but that using materials featuring real-life conversations is a wonderful gift to students. They'll hear these expressions again in live conversations, movies and television and will appreciate having studied them.

This textbook gives students a short class-by-class, step-by-step exposure to authentic listening. The topics give them "high context" and the basis to remember material better. The format gives them practice with the actual test procedure. Humorous distracters provide an enjoyable and motivating addition to the usual monotony of test taking.

Happy listening!

この本はTOEICの練習問題ですが、授業の最初か最後の短時間に1回分ずつすることができます。その特徴は次の点です。

- 1. テーマ別にしているので、リスニングの初級者にも内容が予測しやすい。 TOEICの実践問題集というよりも、TOEICの試験のフォーマットに慣れるため の問題集である。
- 2. アメリカ英語の新しい表現が入っているので、TOEICのテストに慣れながら、「生きたアメリカ英語」を学習できる。
- 3. 単調になりがちなテスト問題の選択肢の中にユーモアのある文を混ぜ、試験につきものの緊張をほぐし、学習が楽しくなるようにしている.

The Authors

CONTENTS & SCORE
