PART VII Reading Comprehension

Read the following blog post and choose the best answer for each question.

Phew, what a day that was yesterday! So, I went to a concert with Sally and Mark, but I almost didn't meet up with them on time. I was riding the bus when Sally tried to call me, but the call wouldn't connect! Why? Because my smartphone froze! Then, since I was trying to get my phone turned back on, I wasn't paying attention, and I missed my stop! Anyway, I got off the bus, and as soon as my phone restarted, I called Sally to explain what happened. She had been really worried! She thought I had forgotten about our plans, and that I wouldn't make it in time before the concert started. So, I jumped in a taxi and headed over to the café next to the stadium where Sally and Mark were waiting for me. We rushed into the stadium and the concert started just as we arrived. I think it's time for me to get an upgrade before my phone affects my plans again!
